

GREGORY J. KEUP

APi Group Inc. CFO and Treasurer

Gregory J. Keup is the chief financial officer and treasurer of APi Group Inc., a billion dollar holding company for 37 independent construction and construction related businesses.

Keup joined APi in 2005 and is responsible for improving APi's overall financial performance, managing financial risk and financing growth.

Prior to joining, Keup was vice president and treasurer for International Multifoods Corporation, where he served in various accounting and finance roles at corporate and within operating divisions of this public company.

Keup received a master's in business administration-finance from the University of Minnesota's Carlson School of Management and a bachelor's in accounting from the University of St. Thomas.

Keup enjoys coaching youth sports and spending time with his wife, Cathy, and four children. ♣
