Ronnie Davidson is vice president and a founding member of **INTERNATIONAL FIRE PROTECTION INC., (IFP)**.

International Fire Protection was founded in 1990 and has grown to be one of the largest and most respected fire protection contractors in the Southeast United States.

Under his leadership, International Fire Protection received recognition and awards from the business community, including the New Horizon Award and the Small Business of the Year Award from the Chamber of Commerce.

Davidson's career highlights include the installation of fire sprinklers in the East Wing of the White House in 1988, and the establishment of International Fire Protection with Kamran Malek.

Davidson is a graduate of Penn State University. His interests include motorcycle riding, NASCAR and snow skiing. ♣
