

CHAD HUENNEKENS

USAFP President

Chad Huennekens the president of United States Alliance Fire Protection (USAFP), a company that specializes in fire protection systems.

USAFP is one of the largest fire sprinkler contractor's in the Chicago and Milwaukee markets.

Huennekens began his career as a residential superintendent in 1999. He has worked in many different areas of the company from design and estimating to sales and safety.

Throughout his years at USAFP, Huennekens demonstrated the energy and passion essential for the fire protection industry. He was promoted president in 2009.

Under his leadership, the company will continue to sell, design, and install best-in-class systems with a focus on safety and field operations.

Huennekens and his wife, Dana, have two children, Matthew and Andrew. They all enjoy golf, skiing, and hiking. 🏌️
