Bernie M. Beliveau is vice president of operations at **VIPOND FIRE PROTECTION**, a division of Vipond Inc. He assumed this role in March 2001.

Beliveau has had a successful 30-year career in the fire protection industry. During his 23 years at Vipond he has held numerous positions. His career includes the supervision of critical field installations in the petrochemical, automotive and mining sectors.

In 1996, Beliveau became the general branch manager of southwestern Ontario. Beliveau was promoted to regional manager for Ontario, in 2001, before he assumed his current role as vice president of operations.

In light of Beliveau's passion and dedication to the fire protection industry, he takes an active role in the apprenticeship curriculum through his position on the Joint Training Apprenticeship Committee. Beliveau also sits on the Canadian Automatic Sprinkler Association National Negotiating Committee, which represents the provinces of Canada.

Beliveau and his wife, Rhonda, have three sons, Gerard, Lyle and Robert. His interests include hockey, lacrosse, hot rods, and Harley's. ♻️
