

## BRUCE R. TAIT

Vipond Systems Group Vice President

**B**ruce R. Tait is vice president of Vipond Systems Group, a division of Vipond Inc. He assumed this role in March 2001. Vipond Systems Group is a systems integrator of low-voltage building systems, specializing in fire alarm, security and communication systems.

Tait has had a successful 32-year career in the fire alarm industry. During his 11 years at Vipond he has held a number of positions, including Saskatchewan branch manager, western regional manager for Western Canada, and now as vice president.

Prior to Vipond, Tait founded the fire alarm company Alsask Fire Equipment in 1985. He then sold it to Minnesota-based APi Group Inc. in August 1999. Earlier in his career, Tait was manager of Chubb Fire for Saskatchewan and a technician for many years with Edwards and other fire alarm firms in Alberta and Saskatchewan.

As a distributor of Notifier Fire Alarm Systems since 1991, Tait's team has won multiple awards from Notifier and is recognized as one of the top Notifier Distributors in all of Canada.

Tait is a long-time member of both CFAA (Canadian Fire Alarm Association) and NFPA (National Fire Protection Association). He is a Certified Instructor for CFAA as well.

When he is away from the office, Tait enjoys such recreations as fishing, traveling and watching football (CFL & NFL). 🌀
